Enrolment with Aquanauts

Note: Should you require an electronic word version of the enrolment forms, which will enable you to enrol via email, please contact us at info@aquanauts.uk.com with the subject header e-forms request.

Thank you for your interest in [Aquanauts](http://www.aquanauts.uk.com). We are currently taking bookings for our pools across Greater Manchester: Manchester, Dukinfield (Tameside), Oldham, Prestwich and Heaton Moor.

How to reserve a place with Aquanauts..

To reserve your 'little one' a place, please complete the enrolment form and payment / terms and conditions, and return to the address above.

Once we have received your details, **and** are able to offer you a secure place, we will process your payment using the credit/debit card details supplied and then email you confirmation.

The confirmation email will detail your session time and day which will have been allocated based upon the preferences given on your enrolment form. Places are offered on a first come first served basis (based upon the date when enrolment forms and payments are received).

If we are unable to provide your 'little one' with a place for the term you wish to enrol on, we will add your details to our waiting list, and try to offer you a place on the following term's intake.

What your little one needs to wear..

We would ask you to pay careful attention to the requirements for a **swim nappy and swim nappy cover** (*Splashabout brand must be worn, this is a condition of our hire of the pools we use- see terms and conditions*), as babies will not be admitted to the pool without these due to the risk of the pool being soiled, resulting in possible closure.

Both of these items are available to order at the time of enrolment (using the order form) and can be posted to your home address or made available for you to collect at your first lesson.

Terms and Conditions..

Our terms and conditions along with our code of practice are also attached and available from www.aquanauts.uk.com/terms. We would ask you to read these prior to booking with [aquanauts](http://www.aquanauts.uk.com) to ensure you are aware of your rights and responsibilities as well as our policies. Should you have any further questions, please do not hesitate to contact us.

Yours sincerely,

Sara Kelly

Please Note: Aquanauts communicates largely by email.

Therefore, please ensure you regularly check your email for news and updates.
